Organic Relaxing Massages and Treatments

Blueberry Cream Massage

30, 50 or 80 min.

Delicious texture and color, with characteristic blueberry aromas. Facilitates relaxation and provides vitamins D, E and C, with antioxidant and detox qualities that help to restore and rejuvenate your skin and relax your mind.

Lavender oil massage

30, 50 or 80 min.

With this massage, you may just imagine yourself in the beautiful fields of Provence, France enjoying the intense yet mild fragrance of lavender. The soothing properties will relax your body, eliminate stress and clear your mind completely.

Bio Massage for couples

30, 50 or 80 min.

An unforgettable experience to share with your partner. Choose one of three types of oils which are heated to fill the atmosphere with a pleasant fragrance. The biomassage provides a warm, relaxing, romantic and unforgettable experience.

Energizing massages and treatments**Sports Massage with Pear and Apple Oil**

30, 50 or 80 min.

The properties in pears and apples improve muscle tone and are ideal for countering the effects of fatigue from exercising or long walks. This massage will revitalize your body, giving you a sensation of lightness.

Vanilla and Cinnamon Deep Therapeutic Massage

30, 50 or 80 min.

The adrenergic properties in the vanilla and cinnamon stimulate endorphins and help the body to recover from fatigue while at once improving athletic performance, providing muscle tone and easing stress.

Revitalizing Orange Mud Massage

60 min.

The relaxing properties and minerals in oranges and the astringent action of the mud will leave your skin feeling soft all over, making this a unique and relaxing experience for your body.

Cinnamon Paprika Reflexology

30 min.

If reflexology by itself is a wonderful experience, it gets even better thanks to the cinnamon's thermogenic properties. These properties improve the circulation in the skin, which in turn stimulates nerve endings to enhance the benefits of the reflexotherapy.

Natural Chocolate Wrap

60 min.

Experience the delectable experience of a chocolate wrap. This treatment stimulates the production of endorphins, the happiness hormone. The anti-cellulitic action and warmth of the wrap will give you a feeling of peace, happiness and beauty.

Cleansing and Balancing Treatments**Blueberry Exfoliation**

30 min.

The properties in blueberries rejuvenate your skin by eliminating dead cells and cleanse your body. This treatment provides vitamins D, E and C and leaves your skin revitalized and radiant.

Coconut Illusions Exfoliation

30 min.

Eliminates impurities and hydrates skins, restoring its natural luminosity. Combats free radicals and protects your skin against the ravages of time, making it soft and smooth.

Chocolate Exfoliation

30 min.

The properties in chocolate stimulate metabolism and give your skin a unique texture. In addition to removing dead cells, it helps to eliminate toxins, leaving your skin fresh with a slight chocolate aroma.

Mate and Coffee Treatment

30 min.

The natural way to eliminate toxins and restore your body. The natural powers of a balanced combination of mate and coffee accelerate metabolism to eliminate toxins and free radicals from your body, which also helps you to lose weight. You'll feel lighter and rejuvenated after the treatment

Chocolate Mayan

50 min.

For those you seek a delicious experience covered in chocolate. This treatment causes an enhanced secretion of endorphins making you feel peace, happiness, and beautiful.

Facials**Natural White Tea Facial**

50 min.

Natural facial that uses white tea as the active ingredient to provide antioxidants to bring renewed freshness and brightness to your face. The treatment nourishes and revitalizes your skin, giving it a younger and more natural appearance. Recommended for all skin types except people with acne.

Facial for Men

50 min.

A treatment for men who are concerned about their wellbeing which contains both nutritional and detoxifying ingredients to give your face a fresher, younger and healthier look.

Citrus & Stone Crop Facial

60 min.

Facial with a matting effect that helps to balance your skin's pH, reducing shine. The perfect blend of citrus and the natural properties of the STONE CROP plant help to prevent and control acne. Highly recommended for people with oily skin and adolescents.

So Natural Cherry Facial

60 min.

Hydrating and revitalizing facial. Recommended for mature skin because it revitalizes and gives new life to skin that has been exposed to contaminants. Experience the delicious aromas and the excellent results that will show on your face.

Rose Hip Facial

60 min.

Besides being very pleasant to the touch, the Rose Hip facial is designed for very delicate skin and people with rosacea. This treatment strengthens the skin and protects it from the sun and external contaminants, rejuvenating and beautifying your skin.

Natural UV Protection Facial

30 min.

Especially designed to help your skin recover from the damaging effects of the sun on your vacation, while at the same time enjoying the perfect tan. This is a nutritional facial that combines vegetables like tomato and calming herbs that help to minimize the effects of the sun through hydration and protection.

Hydrating Treatments

Aloe Experience Treatment

50 min.

The perfect balance of gentleness and freshness in this treatment helps the skin to recover from exposure to the sun, hydrating intensively to alleviate minor sunburn. Enjoy the fresh, sweet fragrance of this treatment which will revitalize and soften your skin.

Circulation Treatments

Lymphatic Drainage with Chamomile

30, 50 and 80 minutes

In addition to its calming properties, chamomile has draining properties which, combined with an excellent massage technique, make it a comprehensive treatment. This relaxing and healthy experience will help to clear built-up toxins from your lymphatic system and improve your circulatory system.

Cucumber Mint Restless Leg Treatment

50 min.

This treatment relieves tired legs. A perfect mix of cucumber, mint and herbs contains properties that stimulate blood circulation and help to decrease and prevent cellulite. Your legs will feel rested, healthy and beautiful.

Holistic & Therapeutic Treatments

Shiatsu Massage

50 minutes.

This massage based on traditional Chinese medicine focuses on the knowledge of vital energy known as Ki. This massage manipulates different acupressure points to help balance your body and mind.

Thai Massage

60 min.

The traditional Thai massage known as Nuad bo-ram is a therapy intended to treat the mind and the spirit in order to promote good health and relaxation. This therapy works with the electromagnetic or energy fields surrounding the body, acting on the body by applying pressure to and manipulating the joints.

Ayurveda Massage

50 min.

In the Sanskrit language, ayurveda (ayur-life and veda-knowledge) refers to a massage that combines relaxing massage and phytotherapy. Phytotherapy is based on the idea that there are different personalities: pita, bata and cafa. You'll be pleasantly surprised by the health benefits of this therapy and the feeling of fulfillment you'll experience once you have it.

Tuina Massage

50 min.

This massage is the manifestation of an entire philosophy based on the person as a whole, not just the body, but the mind as well. Tuina uses controlled pressure and manipulation for a unique and revitalizing massage that will prepare your body for physical or athletic activity or just make you feel brand new.

Treatments for Parents and Children

Choco Choco Wrap

50 min.

For those who have, at one time or another, dreamed of being covered in creamy chocolate, you can now share this delicious and whimsical chocolate adventure with your children, which will stimulate your happiness hormones and bring you to a state of relaxation.

Tutti Frutti Sugar Massage

50 min.

A unique massage that uses an exclusive all-natural tutti frutti oil for children and adolescents. It will help them relax in style on their first spa adventure.

Ice Cream Mud Massage
